3. Your Course

- ^{3.4)} Please add any comments you would like to share.
- This has been my worst experience taking an online class ever. The teacher was no help and made it to where you were afraid to ask questions.

4. Services and Technical Support Rate your level of satisfaction with the BC services for this course.

^{4.14)} Please comment on BC support for online classes.

I haven't really used any of those

5. Course Design Course activities (assignments, discussions, quizzes)....

^{5.13)} Please add a comment about the course design.

Again, this teacher was the worst teacher I have had. Sent me instant messages and email in ALL CAPS as if yelling at me. In the end I did what he had asked and he still couldn't apologize.

9. Final Comment

- ^{9.1)} The comment box provides a chance to anonymously communicate any specific impressions (either overall impressions or impressions about particular and specific things) to the instructor. Please feel free to write a lot in the comment box since your feedback is probably the single most important way that courses get better from one semester to the next.
- You need to not reply to your students in ALL CAPS. It comes off as yelling. You have been my worst experience with an online teacher ever. You made it to where I didn't feel comfortable reaching out to you in a class where I needed your advice. Completely turned me off from Accounting.
