2. More Than One Instructor:

2.1) **If your course had more than one instructor,** in the box type the name of the instructor you are assessing. If your course only had one instructor, skip this question.

6. Open Response:

6.1) What are the strengths of this course?

- ◼ A person has a week to complete the things that are due on the specific date, but they can also work ahead if they'd like.

- ◼ I think that it is very fun and its nit overwhelming like some of the classes i have.

- ◼ Molly Arc is a great professor and the material in this class is punctual and helps get people into their creative side.

- ◼ N/A

- ◼ The strengths of the course is the you learn a variety of different artist.

- ◼ its fun

- ◼ the more hands-on aspect of this course.

6.2) What changes would you recommend that would improve this course?

- ◼ I think that her class is perfect.

- ◼ I think that the overall work loads needs to be decresed. In one week we would have 2 quizzes, a 5 paragraph discussion post,response to discussion post, art to create, and a assigment due while in other art classes taken by other instructors only have 1-2 assigments do a weak. furthermore the material needs to be explained better and more in detail. For one assigment she gaves us youtube videos to watch and then when i did what the youtube vide said to she gave me a 50 and said material not understood. I tooke several higher level classes as this class was the only one i struggled in and made below an A.

- ◼ I would not make any changes. I love this class.

- ◼ Make instructions more clear. Make work easier to find in D2L. Tell students how to improve their work or make it better instead of just failing us, the instructions are so confusing so the least the teacher could do is critique in a detailed way.

- ◼ The assignments due on Monday are usually in a different module than the rest of the coursework for the week, so I think it would be helpful to put it in the same module instead of the one for the following week.

- ◼ be clear on instructions

- ◼ none

6.3) Any further, constructive comments?

- ◼ N/A

- ◼ This was probably the worst experience I had while taking a course. I'm also not the only one who has had this teacher that feels this way. It's so discouraging when you try your best and your teacher fails you and won't tell you how to make your work better. This is probably the most challenging and difficult class I'm taking right now which is ridiculous because it's art appreciation...
