6. Open Response:

6.1) What are the strengths of this course?

- Great communication

- I think that the teacher tries really hard to get the class engaged in the class and in the work.

- cant think of any.

- sketchbook

- very interactive and learn how to appreciate art a lot more

6.2) What changes would you recommend that would improve this course?

- Change the name of the class from Art Appreciation to Art 101 or Intro to Art. The name is misleading because if I had known that there would be as much drawing and project work, I would not have signed up for it. I don't find doing art projects to be useful and would have preferred an Art History class, but none were available.

- I would not make everything so spread out.

- N/A

- Not to take this course online

- Providing feedback on assignments and posting grades.

- none

6.3) Any further, constructive comments?

- A 10 min quiz on a chapter out of the book did not help.

- N/A

- none
