6. Open Response:

6.1) What are the strengths of this course?

- Getting to learn at my own pace.
- I enjoyed how his lectures were easy to go through
- My strengths is that he made everything clear
- The instructor was very good at teaching all the material that he would test you over.
- The work is spread up evenly and he explains everything very well.
- the organization everything was easy to find

6.2) What changes would you recommend that would improve this course?

- During a fast course like this one i would just recommend one quiz over the two labs versus two separate quizzes at once.
- I would recommend that the videos be a little different, but I get that it is online rather than in person
- I would've changed how the land were videoed, but it was online so couldn't do much
- More instructional information
- Nothing really.
- no recommendations.
- nothing it was easy to follow along and find everything

6.3) Any further, constructive comments?

- N/A
- Nope, class was great
