## Comments Report

### 6. Open Response:

6.1) What are the strengths of this course?

- The research to help answer discussion questions.

6.2) What changes would you recommend that would improve this course?

- Lecture video.

6.3) Any further, constructive comments?

- There wasn't any lecture video to go along with the power points. I felt like they were way too long to have to go through individually. Sometimes I don't complete my discussions on time due to the amount of work we had to do.
