5. Comments

- ^{5.1)} Your instructor will appreciate any comments you have concerning the course or his/her teaching.
- I just wish there were some other things (small assignments), to turn in other than simply just exams... perhaps- small quizzes to practice material for upcoming exams? I feel with the more distributed grade for exams as well as other assignments would give me less of a "scare" on whether I'd pass the class or not.
 - Mr. James way of teaching was amazing! only if I did not had taken Anatomy 1 & 2 I would've taken his class. He is an amazing professor and explains the material in a way you can understand and learn.
