6. Open Response:

6.1) What are the strengths of this course?

■ Walling uploads all material online, and you have the choice to go as fast as you want, or a week at a time with the class. There was a time where she delayed grades (I did not even notice), and to make up for it she extended a due date for a project by 2 days! She truly loves what she does, and you can tell! She provides discussion posts where you are able to speak your mind about a subject.

6.2) What changes would you recommend that would improve this course?

■ I don't think I have any.

■ n/a

6.3) Any further, constructive comments?

■ I don't think I have any. I was scared this class was going to be heavy (I took A&P with Walling prior and that was heavy!) but this class was amazing! I will recommend it to anyone that needs it, or an extra credit.
