- ☐ I am a mom of 3 and I quit my job to go after my dreams of becoming a nurse. It has been 11 years since I've been to college. Although I was not mentally prepared for the work load, A&P Lab was easy to understand and I enjoyed Dr. O'Neil as a professor. He did an awesome job putting his assignments, study guides, and lectures together. I have no complaints. He is a great teacher!
- ☐ I love this Instructor. He has been very helpful in better understanding the material at hand. I 100% recommend him if someone is to take this course.
