

Joel Quiros
MICROBIOLOGY-LAB (BIOL2120 51221S)

BC Survey - Results 2022 Fall (16-Week - 221S), MICROBIOLOGY-LAB

Dear Instructor,

Below are the 2022 Fall (16-Week - 221S) survey results for "MICROBIOLOGY-LAB (BIOL2120 51221S)".

The overall indicator is listed first.

The second part of the analysis lists the average values of all individual questions.

Comments are listed at the report's end.

If you have any further questions, please reach out to a member of PIER.

Best regards,

dev.=0.4

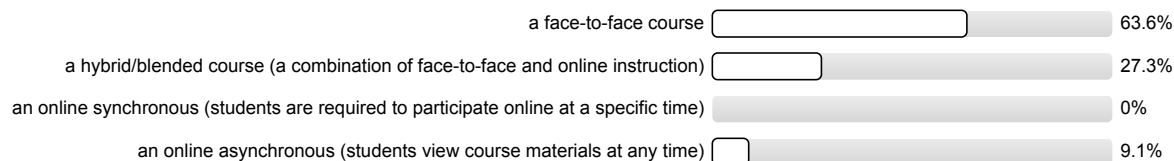

7. Student Demographics:

7.1) How many credits have you completed toward your degree or certificate?

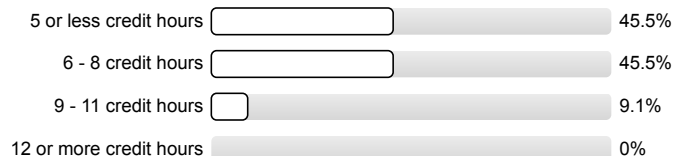

n=11

7.2) This course is instructed as:

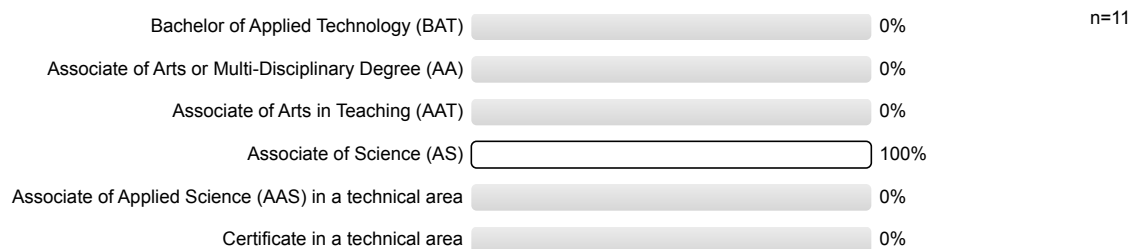

n=11

7.3) This term I am currently enrolled in:

n=11

7.4) My current major is:

7.5) I am currently a high school student taking college courses.

Comments Report

2. More Than One Instructor:

2.1) **If your course had more than one instructor,** in the box type the name of the instructor you are assessing. If your course only had one instructor, skip this question.

- Professor Quiros

6. Open Response:

6.1) What are the strengths of this course?

- Clear, direct communication
- Dr.Quiroz works with you if you have any trouble with anything.
- Great team working labs, most activities are done as a lab group.
- His compassion to teach students. He us funny, nice and stern.
- Mr. Quiros is an extremely understandable and relatable professor. I thoroughly enjoyed his lectures and gained lots of knowledge. I am very likely to recommend Dr. Quiros' lab to any other student in need of this class.
- The face to face interaction with the instructor.
- The hands on of the course were very helpful to me as I am more of a visual learner.
- This microbiology course with Dr. Quiros was great! He is very professional and organized. He distributes his time equally to his class for questions and answers and does not mind helping in anyway if communication is open, keeping in mind that we all have adult lives out of class.

6.2) What changes would you recommend that would improve this course?

- Dr. Quiros could actually use more help in the microbiology lab. I believe him having the assistance he needs would improve his class structure.
- I wish that if you had one teacher for lab, that you automatically were assigned to them in lecture as well. I had quiros for lab and tobola for lecture and they did not go over the same chapters this semester. I would have preferred to have quiros for both.
- Newer supplies funded to the department
- No changes I can think of.
- Not any
- The entire class was nursing students and I felt this course did not focus the medical field almost what so ever.
- Unsure
- nothing.

6.3) Any further, constructive comments?

- Dr.Quiroz is a great instruction and very knowledgeable.
- I appreciate the time and effort Dr. Q gave his students. He was very helpful. Thank you.
- Instructor was very professional and I could tell he loves to "teach"
- N/A
- NA (2 Counts)
- None. Dr. Quiros is a great professor!
