6. Open Response:

6.1) What are the strengths of this course?

- Good timeline and balance on assignments and tests

- Professor Walling is very thorough of the material she is coming she is an amazing teacher.

6.2) What changes would you recommend that would improve this course?

- I found that a few of the quizzes were not on the syllabus and resulted in me not realizing it and submitting them late. When this was brought to attention an extension was granted for a majority of the class that was in my boat and now she reminds us in class.

- More teaching less on your own stuff
