2.1) **If your course had more than one instructor.** in the box type the name of the instructor you are assessing. If your course only had one instructor, skip this question.

- Dr Quiros

6. Open Response:

6.1) What are the strengths of this course?

- Dr. Quiros ability to explain complicated material in a fun way!
- The strengths in this course is that majority of the questions on the exams are on the powerpoint
- Very well organized and goes in a good flow
- amazing instructor
- i was bale to learn when i had the time to do it i have a very busy life and need to keep up with a lot
- the videos are well formatted.

6.2) What changes would you recommend that would improve this course?

- Dr Quiros could use more assistance in regards to his other classes such as Microbiology
- I don't really think there should be any changes however there were times on the lecture video that he said different information than what was on the powerpoint.
- I feel like this course is very well laid out and I have no ways to improve
- clearer instructions on assignments
- i would suggest making check ppoints ont he projects so that way kids dont fall behind and are more encouraged to do them
- none

6.3) Any further, constructive comments?

- Great class!
- No that is all
- None
- no (2 Counts)
