Comments Report

6. Open Response:

6.1) What are the strengths of this course?

- The class had a very easy structure to follow. We had one prelab assignment, the lab, and post lab every week. This made it very manageable.

6.2) What changes would you recommend that would improve this course?

- The lab Manual can be confusing so I would recommend either using a different one.

6.3) Any further, constructive comments?

- None.
