### 2. More Than One Instructor:

- 2.1) **If your course had more than one instructor.** in the box type the name of the instructor you are assessing. If your course only had one instructor, skip this question.

■ Creswick

### 6. Open Response:

- 6.1) What are the strengths of this course?

■ N/A

- 6.2) What changes would you recommend that would improve this course?

■ The changes that would help this course is to better explain the work that we have to do on the test. To explain us how to do the proper work and to teach us what we will be having on the test and not just talk about the presentations like if that is all then I could go over them myself.

- 6.3) Any further, constructive comments?

■ If I fail this class, I am sure not to get him again I rather wait for another semester if the classes are full.
