9.1) The comment box provides a chance to anonymously communicate any specific impressions (either overall impressions or impressions about particular and specific things) to the instructor. Please feel free to write a lot in the comment box since your feedback is probably the single most important way that courses get better from one semester to the next.

■ The way this class was set up worked for me although I would have preferred to have had the semester schedule up front with all the deadlines at the beginning instead of doing it weekly.
