Comments Report

6. Open Response:

- 6.1) What are the strengths of this course?
- Great instruction very well explained topics.
- Hands on learning and well educated professors
- lots of labs, visual things you get to put your hands on, how it stresses the importance of safety
- 6.2) What changes would you recommend that would improve this course?
- I enjoy the way the course is currently
- N/A
- none
- ^{6.3)} Any further, constructive comments?
- N/A
- from the instructors i have had the pleasure of being in class with, they have all been very aware in the level of learning and knowledge from each student and provide the proper skills to be able to help and teach accordingly. Its also very hands on which is useful for retaining information.
