2. More Than One Instructor:

2.1) **If your course had more than one instructor,** in the box type the name of the instructor you are assessing. If your course only had one instructor, skip this question.

- Brooks (2 Counts)
- brooks

6. Open Response:

6.1) What are the strengths of this course?

- Face to face is clear. Labs are clear and simple.
- Getting better with programming software
- I fell having taken this class a lot more knowledgeable in PLC's and wish to further my education to learn more
- Interesting course that provides a new field and new thoughts of a career that has great oppurtunities
- Its very hands on in some aspects.
- Professor Brooks made it very easy for me especially going into this class not knowing anything about the industry or PLCs.
- The professor
- This course is my path to robotics technology.
- Very helpful
- Welcoming attitude, professor was very nice and laid out course material in an easy to understand way.

6.2) What changes would you recommend that would improve this course?

- I would have no recommendation, the class was created perfectly.
- Maybe the college could supply students with a copy of the simulation software to study at home, as some people just might not have enough time in class to fully grasp the concepts, and it would help them out.
- Nothing
- Nothing.
- The course is sufficient knowledge of great teaching.
- less homework
- more advanced courses
- none (2 Counts)

6.3) Any further, constructive comments?

- Great teacher.
- I enjoyed my semester with the course.
- Maybe find a better or newer revision of the book, as there were many discrepancies that had to be cleared up by the professor.
- No.
- Nope
