6. Open Response:

6.1) What are the strengths of this course?

- Detailed feedback on papers with an opportunity to get a better grade by doing revisions. Great communication from professor. Fast grading.
- Great class and the instructor was very helpful in the feedback
- I loved Prof. Arthur's personality! Being that this course was online, she really exhibited who she was through our course videos each week. The timing between each of our writing assignments I thought was ample and adequate, allowing for us to recoup. She also was very open to reading our thoughts and ideas in our papers/discussion posts. Personally my strength is not in an english or writing class, but the instructor really made me feel good about my writing and the skills I expressed through each assignment!
- It helped improve me as a writer when it comes to a persuasive essay, which was not my strong suit in the beginning of this course. It also helped me find a method of offering professional criticism to my peers, as well as how to build a strong presentation.

6.2) What changes would you recommend that would improve this course?

- I don't think any changes need to be made.
- Improve on the time frame for the feedback
- None
- nothing

6.3) Any further, constructive comments?

- None
- Nope :))
