6. Open Response:

6.1) What are the strengths of this course?

- Communication and distribution of assignments.

- I can now write four pages worth of an essay

- It's an online class and I like how the content is set up. The tabs of assignments are based on the week. It's very organized and it helped me keep myself organized while doing my assignments. I also like how the smaller assignments help with the larger ones. We do notes for a grade and those notes help out with future essays.

- i can write 4 pages in an hour with extra citations!

6.2) What changes would you recommend that would improve this course?

- Dr. Lee can be inflexible and his grades on assignment and what he is looking for can be unclear

- I can't think of anything.

- N/A

- Please change the theme of work you give

- change the theme, not everything can be about death

6.3) Any further, constructive comments?

- N/A
