3. Your Course

3.4) Please add any comments you would like to share.

■ Is it good for being online, but I would much rather prefer the course in person.

---

8. My instructor....

8.4) Please add any comments you would like to anonymously share with your instructor.

■ There wasn't much communication between my professor and I because there was no need to.

---

9. Final Comment

9.1) The comment box provides a chance to anonymously communicate any specific impressions (either overall impressions or impressions about particular and specific things) to the instructor. Please feel free to write a lot in the comment box since your feedback is probably the single most important way that courses get better from one semester to the next.

■ The only thing I would say is to update the online lectures because they seemed to be out of date but I could be wrong.
