Comments Report

6. Open Response:

6.1) What are the strengths of this course?

- Business Writing from a leadership standpoint
- How to properly write in a business matter.
- Instructor was extremely involved, provided wonderful feedback on all assignments, she even took time to record herself for video responses on some of the more major assignments. Instructor was very helpful and always answered questions with very little wait time!
- Teaches good document design, and builds on the notion of catering to an audience.
- The teaching was very real-world relevant; it exceeded my expectations! The instructor cares for her students. She was professionally adorable. She graded firmly but gently.
- This course gave me knowledge needed to complete my other course. The professor was always available for questions or concerns that may be brought up. I was able to grasp a clear understanding of the course through her lectures.

6.2) What changes would you recommend that would improve this course?

- For the last week of the course there are a lot of assignments due and I am having to rush to complete the final report because I have other classes.
I think that there should not be a group project since it is a completely online class, so my group was struggling to get everyone to participate. The teacher also asked if there were nonparticipating members of the team and there were, but I did not say anything because I feel like it would be rude if I were to affect someone else's grade. Also, it was brought to the teacher's attention that one member would not do anything, and the teacher said to just try and work through it. I understand that, but then I had to do extra work.
- I would not change a thing; everything was done/due in a timely manner.
- It seems that we may have glossed over large sections of content because of the short time frame of the class. Three credit hours almost seemed too small.
- N/A
- None, wonderful course
- Pretty satisfied with this class and don't recommend any changes at this time.
- She knocked it out of the park! How could you improve on that? Only recommendation I could offer is pay her more, so she stays!

6.3) Any further, constructive comments?

- Mrs. Arthur has been a very kind teacher and Brazosport College is lucky to have her.
- Prof Arthur is a professional. She is a beautiful person inside and out. I think if we had more professors like her, the world would be a better place. This is my final class at Brazosport, as I have completed my BAT requirements. I am glad I took too long to finish my BAT, as the course catalog I was reassigned to, required I take this class. If anyone has anything negative to say about my favorite professor (of all time!) please let me know (...and bring bail money! Just kidding... mostly). I jest, but it really was a great experience. Thank you for y'all's assistance as I contemplate a master's program. Take care!
