6. Open Response:

6.1) What are the strengths of this course?

- Instructions were always very clear and assignments were spaced out well & evenly. Each lab was very interesting, thought provoking, and engaging. I also really appreciated how flexible the professor was & she was always available by email to help. I loved this course!

- i really liked this class. The labs were interesting.

6.2) What changes would you recommend that would improve this course?

- I would maybe proofread over some of the assignments. There were quite a few typos along with not entirely updated dates (ie "November 23th"). Ultimately, neither of those are the biggest issues in the world, but it's the one change I could recommend!

- none.

6.3) Any further, constructive comments?

- N/A

- none.
