#### 2. More Than One Instructor:

- <sup>2.1)</sup> If your course had more than one instructor, in the box type the name of the instructor you are assessing. If your course only had one instructor, skip this question.

### 6. Open Response:

- <sup>6.1)</sup> What are the strengths of this course?
- Dr. O'Neal makes the class interesting and straight forward .
- The strengths were the Supplemental Instruction, and the syllabus
- very interesting
- 6.2) What changes would you recommend that would improve this course?
- Include an exam study guide. There was a lot of information in the lectures, which isn't necessarily bad; however, half of the information in the lectures was not on the exams. I know this for a fact because I studied a lot for the most recent exam. Easily over 100 terms, and yet I still made a C.
- none.
- <sup>6.3)</sup> Any further, constructive comments?
- The SI leader was amazing and did a very good job.
