n=4

7.3) This term I am currently enrolled in:

n=4

7.4) My current major is:

7.5) I am currently a high school student taking college courses.

Comments Report

6. Open Response:

6.1) What are the strengths of this course?

- I'm not sure what the strengths of this class are
- Real time scenarios that the teacher created were good.

6.2) What changes would you recommend that would improve this course?

- For the instructor to demonstrate how to solve the calculations in the classroom for the students to comprehend how to solve the problems.
- The weekly PowerPoint slides need to be updated to more current

6.3) Any further, constructive comments?

- Not to use multiple choice on exams
