6. Open Response:

6.1) What are the strengths of this course?

- I was never really a big fan of history but this course with Dr. Chad lower was really understandable.

- The overall learning experience, the teacher, and the fun of it all.

- The strongest attribute, in my opinion, was the efficient and stress-free style of learning. My instructor went as far as giving us note outlines, letting us know what was important to learn and what would be on quizzes. I also enjoyed the class projects, as they provided a more hands-on method of learning.

- The way material is presented makes it informative while also keeping it easygoing.

6.2) What changes would you recommend that would improve this course?
