6. Open Response:

6.1) What are the strengths of this course?

- The professor was engaged and laid out this course where you actually learned from it and took an interest.

- The thoroughness of the lessons and content covered, as well as the clear expectations. I also really enjoyed the historical analysis assignments, they gave a great opportunity to think more in depth about the topic discussed, as well as think of the effects that history has had on our modern day America.

6.2) What changes would you recommend that would improve this course?

- I see no changes that need to be made.

- More variety with the types of assignments.

6.3) Any further, constructive comments?

- I want to say that this is the BEST course I have taken at Brazosport College. I have witnessed many professors (especially in Online courses) not be able to engage themselves in the learning process and get the students to want to learn. I sense that this professor enjoys what he does and I really appreciate the effort he takes to want others to enjoy it too.
