- I am a stay-at-home mom to my 2 infant daughters.

5. Course Design

5.13) Please add a comment about the course design.

- As far as the history portion of the course, everything is as it should be and easy to understand if you apply yourself thoroughly. But the Avatar Assignment is eating me for breakfast, lunch, and dinner. My instructor is not happy with the work I am turning in for this assignment, and I am so confused because I am following the Appendix for the Assignment, and not one single assignment has been good enough for a decent grade. I am failing the Avatar Assignment, sadly. This Assignment is 50% of the course grade. I may fail this course.

9. Final Comment

9.1) The comment box provides a chance to anonymously communicate any specific impressions (either overall impressions or impressions about particular and specific things) to the instructor. Please feel free to write a lot in the comment box since your feedback is probably the single most important way that courses get better from one semester to the next.

- I really enjoyed this course, and have had a great time in this course. Upon studying the content we covered I also did some research on our area to help me with the Avatar projects. The feed back on the avatar entries has been very appreciated and useful in writing the next one. Thank you for a very informative semester.

- I will be seeking counseling from the college on the matter of the Avatar Assignment for the remainder of the semester. This is by far the hardest assignment and I do not think it pertains to the History course itself. The grading and commentary is quite terrible.
