- As a older adult returning back to college, I was Leary of taking courses online because I was so used to being in class. Once I found my way around, and with how detailed Mr. Lower was, each assignment or tasks was under each section of that week. I really enjoyed the lecture videos, he just over all an amazing professor.
 - I enjoyed this class! Very informative, and I appreciate the focus on understanding the material, and not just memorizing facts I am bound to forget immediately. I would recommend this course to fellow students at BC!
 - Truly enjoy your videos. I wish you were able to teach more history classes. I strongly encourage othesr to take your class because of how interesting your topics are.
