6. Open Response:

6.1)   What are the strengths of this course?

- I like the weekly quizzes

- Mr. Lower teaches in a way where you put yourself in the shoes of someone who lived in that time of history you are learning about. You get a true sense of what is happening and therefore really learning the subject.

- Professor communicates everything to us. Instructions are simple to follow. Constant encouragement provided by the professor. Never felt overwhelmed with the amount of work assigned.

- The strength is the schedule of all the assignments. It was much easier knowing my assignments were always due on the same day of the week.

6.2)   What changes would you recommend that would improve this course?

- I can't think of any changes. I loved learning from him.

- n/a

- n/a. Professor wants us to succeed and he gives us clear instructions on how to do so which helps immensely with the course and the work given.

6.3)   Any further, constructive comments?

- n/a

- the class is awesome and the videos are very detailed (very much appreciated)
