Certificate in a technical area	0%	
7.5) I am currently a high school student taking college courses.		
Yes	100%	n=6
No	0%	

## Comments Report

### 6. Open Response:

- 6.1) What are the strengths of this course?
- The ability to reach out to the instructor with questions.
- The material is presented in a way that makes it easy to retain.
- The material that was lectured was clear and in detail, I have learned more in this class about history than in many others before. I like the pace this course goes at and the assignments are straight forward. The Instructor had good types of teaching and I enjoyed learning, even though history has never been my strong suit or interest.
- 62) What changes would you recommend that would improve this course?
- I would change the pace of the course.
- I would recommend a group assignment or weekly class discussion about the material so we get different ideas and more ideas instead of just the instructors.
- N/A
- 6.3) Any further, constructive comments?
- The instructor is very friendly.
