6. Open Response:

6.1) What are the strengths of this course?

- Being an online class and having an instructor that understands life happens and works and believes in you. Makes me want to study harder and finish strong.
- Helps me achieve my nursing goals.
- The worksheets offered were a huge help.
- You know what is expected of you. The work is manageable and helps you learn well.

6.2) What changes would you recommend that would improve this course?

- Face to face would be better but there is a lot of people in my class.
- I wish the professor was more interactive. The majority of everything we did was through cengage, not through D2L.
- None
- The PowerPoints were a bit long and had a lot of information but overall, very informative.

6.3) Any further, constructive comments?

- Thank you for a great class and semester! I would 100% take this class again!
