Comments Report

6. Open Response:

6.1) What are the strengths of this course?

- Easy layout of course work.
- The strengths are the study materials. They cover everything on the exam and make it easier to learn the material.

6.2) What changes would you recommend that would improve this course?

- I would suggest having an instructor actually teach the course not just CENGAGE.
- n/a

6.3) Any further, constructive comments?

- All of the course work, test, PowerPoints, worksheets, and exams came from CENGAGE. CENGAGE is expensive on top of already paying for the course, so I find it silly to have to pay for both if the instructor only gets her material from CENGAGE and our only assignments are on CENGAGE. I don't say this to discredit the instructor because I'm sure she is told what curriculum to use, however I would suggest having the teacher teach
