6. Open Response:

^{6.1)} What are the strengths of this course?

- Dr. Gordon gives great feedback and asks engaging questions.
- The work load for the course was not over whelming for students that have already entered the workforce, and typically are balancing work, school, and family.

^{6.2)} What changes would you recommend that would improve this course?

- I would change the group project. The project does not teach a hands on approach to the fundamentals of the course.
