2. More Than One Instructor:

- Lif your course had more than one instructor, in the box type the name of the instructor you are assessing. If your course only had one instructor, skip this question.
- Alisa Petrovich (2 Counts)

6. Open Response:

- 6.1) What are the strengths of this course?
- Do it at your own pace
- Dr. Petrovich loves humanities and her teaching shows it.
- Easy to understand, organized and interesting to learn about.
- Engages you well to study the material for the course. Since it is a online course, teacher provided video recordings going through chapters as well as the power point slides per chapter to go over the material.
- The class is very informative and professor gives information in different ways that are very helpful.
- The instructor is very responsive to any questions or concerns about the work that is provided for us. She also is very understanding and is willing to work with you.
- Work at your own pace.
- 6.2) What changes would you recommend that would improve this course?
- Have more time for the midterm
- I would structure my course a little bit better so that it is easier to flow through the online course. When I go in the course I can't just go to the week and know exactly where the things are located that are due for the week like the videos and the assignments. We have to got to find them and guess.
- N/A
- The essay portion was long.
- The only change I would suggest is that maybe the midterm essay and the midterm could be given on a different week to give more time to prepare.
- being more specific when asking students not to use "slang"
- ^{6.3)} Any further, constructive comments?
