6. Open Response:

6.1) What are the strengths of this course?

- Clear instructions on assignments, helpful professor
- My favorite thing about this course is the diversity and all of the different ways we can learn. There is the required book and there are also chapter videos that help explain everything we are reading.
- Overall, there's not a ton of work so this truly gives you the chance to read the book. It gives you the time to read and truly know what's going on in the book. The instructor is very understanding and is always willing to help.
- The assignment encourage you to immerse yourself in what you are learning. To be interested and amazed at the things we learn.
- This course was online which allowed for the workload to be completed at a relaxing pace.

6.2) What changes would you recommend that would improve this course?

- I would like to have a criteria for the discussion posts in order to have a more definite understanding of our grade.
- Midterm was assigned starting on a Friday and ending on Sunday. I would suggest opening it on a Wednesday to allow time to do the test prior to the weekend. I had a very busy weekend with sports and family obligations. I had to miss an event Friday night so I could complete my exam.
- N/A
- Nothing, the course is great.
- Sometimes the professor can be difficult with how she explains something but if you email her and let her know, Then she will use it as a learning opportunity.

6.3) Any further, constructive comments?

- N/A (2 Counts)
