Comments Report

6. Open Response:

6.1) What are the strengths of this course?

- Mr. Hartman is always very clear and thorough when teaching anything. He makes a few jokes and may "poke at you" a little bit, but he will ultimately make sure that you are understanding the material being covered. He is a great instructor, and I am very thankful that I was able to have him as an instructor for many classes throughout my college experience.
- learning tools and safety procedures for this class

6.2) What changes would you recommend that would improve this course?

- A little bit more lab time, although it is difficult to schedule it, which is understandable.
- Have labs and learn more information about instillation.
- Have updated materials in the D2L weekly

6.3) Any further, constructive comments?

- Needs a more clear idea into which materials we need discuss weekly
