#### 2. More Than One Instructor:

- 2.1) If your course had more than one instructor, in the box type the name of the instructor you are assessing. If your course only had one instructor, skip this question.
- Foster T

### 6. Open Response:

- 6.1) What are the strengths of this course?
- I like that I was able to easily go at my own pace.
- 6.2) What changes would you recommend that would improve this course?
- Just double check all the SAM stuff works. I had a few instances where it told me what I did was wrong, so redid the practice and it was exactly what I had already done.
- <sup>6.3)</sup> Any further, constructive comments?
- I wish it was easier to work ahead. This is my first class that I havent been able to get ahead and had to just wait for weeks to release to do my work.
