## **Comments Report**

## 6. Open Response:

- <sup>6.1)</sup> What are the strengths of this course?
- N/A
- workload was not especially overwhelming.
- 6.2) What changes would you recommend that would improve this course?
- More input from the instructor. I understand that this is an online course, but it really feels like we are on our own with the course. The instructor was largely inconsequential to the course, all I had ever heard from him was a reply to an email about a grade.
- None
- <sup>6.3)</sup> Any further, constructive comments?
