6. Open Response:

6.1) What are the strengths of this course?

- it's done at your own pace.

- the Lessons are easy to understand

6.2) What changes would you recommend that would improve this course?

- I would recommend that the instructor made the Exams available all week for those who work during most of the week, like me.

- a more detailed explanation of the instructions for each module and correction of the several mistakes in the syllabus.

6.3) Any further, constructive comments?

- The due dates are very confusing and hard to follow.
