Survey Results

1. Please read each question/statement carefully and mark the answer that best represents your level of agreement.

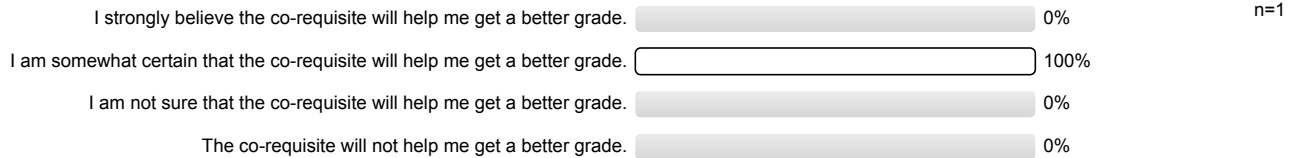

1.1) What grade do you think you are earning in this math course?

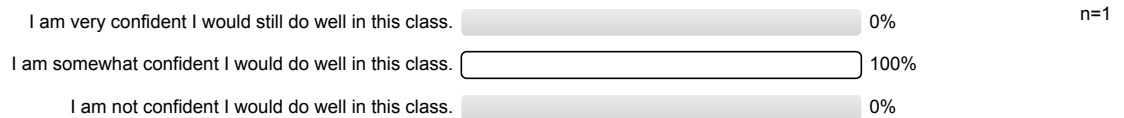

1.2) The co-requisite is a 25-minute session before each math class to provide just-in-time review of topics that will be covered in class. If you are signed up for the co-requisite, how regularly do you attend the co-requisite?

1.3) Do you believe you will get a better grade in this math class because of the co-requisite?

1.4) If the co-requisite was not available...

1.5) Would you recommend the co-requisite to a friend who was about as prepared as you were for this class?
