n=2

7.3) This term I am currently enrolled in:

n=2

7.4) My current major is:

n=2

7.5) I am currently a high school student taking college courses.

n=2

Comments Report

6. Open Response:

^{6.2)} What changes would you recommend that would improve this course?

- The instructor should be more hands on with the students and allow emails asking questions. Some students, including myself, do not want to ask questions with the whole class. I would have liked to be able to ask questions privately as well as be able to ask for one on one help when I needed it. Considering he is my teacher.
