Comments Report

2. More Than One Instructor:

2.1) If your course had more than one instructor, in the box type the name of the instructor you are assessing. If your course only had one instructor, skip this question.

- Bacica

6. Open Response:

6.1) What are the strengths of this course?

- Bacica's tests were very similar to our notes and homework.
- Mrs.Bacica provided a lot of help when asked for it, and she is very understanding of situations.

6.2) What changes would you recommend that would improve this course?

- Not having the quizzes at the end of the class.
- She required on site testing, either with her or with learning services, which I felt defeated the purpose of being online.

6.3) Any further, constructive comments?

- She used a lot of negative comments/tones when commenting on some of her videos, such as " If you don't already know this " or "this is really easy so if you can't get it " and just overall making it feel as if you were unsure in the content that you essentially shouldn't be in the class.
