9. Final Comment

- ^{9.1)} The comment box provides a chance to anonymously communicate any specific impressions (either overall impressions or impressions about particular and specific things) to the instructor. Please feel free to write a lot in the comment box since your feedback is probably the single most important way that courses get better from one semester to the next.
- I recommend this course with this professor since she is willing to always help and the class itself is not difficult if you do what is expected of you.
