STATISTICS (MATH1342 40211S)

Survey Evaluation Results 2021 Fall (16-Week - 211S) - STATISTICS (MATH1342

Dear Instructor,

Below you will find the 2021 Fall (16-Week - 211S) evaluation results for your online class, "STATISTICS (MATH1342 40211S)".

The overall indicator is listed first.

The second part of the analysis lists the average values of all individual questions.

Comments are listed at the report's end.

If you have any further questions do not hesitate to contact our department.

Best regards,

8. My instructor....

8.4) Please add any comments you would like to anonymously share with your instructor.

■ My instructor Kevin ONeill is one of the greatest teachers I've ever had.

9. Final Comment

9.1) The comment box provides a chance to anonymously communicate any specific impressions (either overall impressions or impressions about particular and specific things) to the instructor. Please feel free to write a lot in the comment box since your feedback is probably the single most important way that courses get better from one semester to the next.

■ This class was hard to follow and the homework was completely unhelpful. I did not like how we used an online book for this. It made finding the material difficult and covered things in the homework we did not learn in class. I felt like I had no actual way to effectively practice what I learned. There is also no extra credit and because of this I felt like I had to automatically drop out of the class the first bad grade I received. There is no room for error which makes me feel like this class is not really set up for learning.
