Comments Report

2. More Than One Instructor:

- 2.1) If your course had more than one instructor, in the box type the name of the instructor you are assessing. If your course only had one instructor, skip this question.
- Kevin O'Neill

6. Open Response:

- 6.1) What are the strengths of this course?
- The course feels like it connects well with the end of pre-calculus. There is not one grievance I have with this course. I dropped this same course in high school, now I have ended up loving it.
- The instructor is funny, caring, and has a genuine love for what he teaches.
- 6.2) What changes would you recommend that would improve this course?
- Honestly I would change nothing about this course the process of learning is fluid, the homework is well lined up with the material tested on, and the class length feels perfect.
- ^{6.3)} Any further, constructive comments?
- This course has been a joy.
