av.=1
md=1
dev.=0

Comments Report

---

5. Comments

5.1) Your instructor will appreciate any comments you have concerning the course or his/her teaching.

- A true professional. Professor O'Neill genuinely cares about his students and their success. I think his class is really good and the difficulty of the course in manageable. He has a lot of good advice when it comes to the future and how to be a good math student.
