6. Open Response:

^{6.1)} What are the strengths of this course?

- Even tho it's an 8 week course the workload was spread out evenly each week so it wasn't too hard to stay on top of my work.

- Leaning about good music and the history of Orchestral, Opera, and Jazz music. The information was very good, and the assignments were easy to follow and understand.
  I enjoyed watching performance at the Clarion as part of an assignment. I was impressed by the Clarion and of the performance as well. I am returning with my family in December to watch the Symphony Orchestra.

- The assignments, deadlines, quizzes etc. were extremely structured and made it very easy and convenient for the student to navigate.

- This course was recommended to me by another student and I am so glad I was enrolled. Mr. Birk is great. I really enjoy learning the material and the assignments have encouraged me to open up and learn more or broaden my horizons when it comes to music.

^{6.2)} What changes would you recommend that would improve this course?

- None.

- None. All was good.

^{6.3)} Any further, constructive comments?

- Awesome teacher!

- None. All was good. I learned a lot of information in a subject that I had very little knowledge in.
