Please feel free to write a lot in the comment box since your feedback is probably the single most important way that courses get better from one semester to the next.
- Sam you have really helped me this semester and have really motivated me to continue on my safety journey, and have pushed me further into my career path, Thank you for understanding certain circumstances and being willing to work with me. You really make sure to get to know each student in your class and make it a point to reach out to them, which most professors don't do that and I belives that is a great trait to have.
