Comments Report

5. Comments

^{5.1)} Your instructor will appreciate any comments you have concerning the course or his/her teaching.

- Mr. Chawla does not encourage students. He enjoys bringing students down. He has remark in class several times this semester that he wants at least half of the class to fail. He discourages making good grades by saying if we do good he will make the test unreasonable hard. He started the semester off by threatening to fail anyone who didn't want to wear a mask. He on multiple occasions remarked that he would like it if we told everyone what a bad teacher he was so that he would only have a few students. His exact word were " Tell everyone I'm an asshole so that people avoid my classes, because I get paid whether there's 10 of or 25. So, I rather only have to grade 10 peoples work." He also on multiply occasions said he would except bribes in the form of food or alcohol in exchange for better grades or more time on assignments. I feel all these things combined make him and extremely ineffective and inappropriate professor.
