6. Open Response:

6.1) What are the strengths of this course?

- Explains everything very careful and detailed until everyone comprehends the assignment.

- It's all hands on learning, straight to the point with minimal distractions and delays

- Very useful information about the pipefitting craft.

6.2) What changes would you recommend that would improve this course?

- I cant think of any at this time.

- I would adjust the curriculum to the current times, some things taught in the book don't exactly correlate to real life situations, but Mr Payne does a great job to help with that

- n/a

6.3) Any further, constructive comments?

- I really enjoy the classes i take and that I have taken. Mr.Payne is very helpful with any necessary information that is not understood. I greatly appreciate the assistance and dedication he puts into teaching students.

- The teacher is fantastic at helping up learn and apply the information given to us
