### 6. Open Response:

6.1) What are the strengths of this course?

- Assignments flowed into each other well and use of Cengage made the online learning environment easy.
- The Excel progress
- The flexibility.
- very at your own pace, and I like that in a course.

6.2) What changes would you recommend that would improve this course?

- No changes at this time
- None I have enjoyed this course..
- Not use Cengage.
- Nothing at all

6.3) Any further, constructive comments?

- Cengage is just extremely hard to use & figure out. I also don't believe students should have to pay extra to use a different site other than BC's to do classwork. Just seems like a slap in the face to our tuition.
